# **PROLOGUE:**

**Nippon Koei India** works for improving the living standards of rural communities through programs in agriculture and rural development through its CSR activities. Its multi-disciplinary consulting capability covers all facets of agriculture and rural development viz.

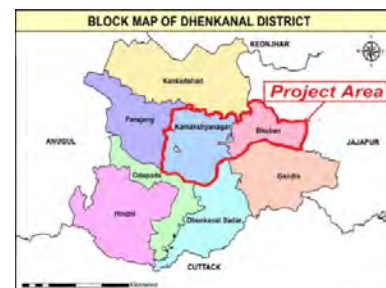

- Integrated agriculture and rural development programs
- Integrated rural infrastructure development
- Institutional development and empowerment of rural communities
- On-farm development and improved irrigation management
- National level agriculture sector studies
- Agricultural support services and agricultural training
- Irrigation System development

NK India has extended the social responsibility work for development of rural community of Kamakhyanagar and Bhuban Block of Dhenkanal district

Relevant Clause and activity under the project approved “Ensuring environmental sustainability, ecological balance, protection of flora and fauna, animal welfare, agroforestry, conservation of natural resources and maintaining quality of soil, air and water . Development of Water Storage Pond for Sustainability of Agroforestry, Construction of Cattle Shed for Stray Cows, Environment Protection & Plantation on bald hill, Construction of a view tower on top of the bald hill, Assistance for Women Empowerment, Installation of solar street light in village Govindapur and R.O. Water Purifier in 11 Nos. of Educational Institutions in Kamakhyanagar and Bhuban Block in Dhenkanal District, Odisha.

## **Project Implementation area**

NKI has supported the various developmental projects in Kamakhyanagar and Bhuban Block of Dhenkanal district.

## Inauguration of Bald Hill Plantation and other Project

The inaugural ceremony held on dated 4<sup>th</sup> June 2023 At. - Govindapur village of Bhuban Block. Hon'ble Minister Sj. Prafula Kumar Mallick , Steel and Mines and Works, Govt of Odisha inaugurated the Bald Hill Plantation Programme with Chief Guest Mr.KatasuyaFukasaku, Managing Director of Nippon Koei India Pvt. Ltd. and Dr.G.Sampath Kumar, Director, Nippon Koei India Pvt. Ltd.

The inaugural ceremony started with a warm welcome of the dignitaries by Mr Abani Mishra, Vice President Rajya Kala Sanskriti Sangha, Odisha and Mr. Arun Kumar Mishra, Marthapur BJD President.

After the introduction, all the dignitaries kindled the lamp before the statue of Lord Jagannath followed by the felicitation of all the dignitaries.

## Bald Hill Plantation and View tower

NK India initiates to develop more greening scenario in India with massive plantation in various area. Bald hill plantation concept of NK India is the highly acceptable by Government and Public. It helps to boost the community for livelihood, Environment protection, control of soil erosion and transpiring the Bald hill to green one.

The Bald hill plantation programme has supported by NKI in the village Govindapur ,Marthapur GP of Bhuban block , Dhenkanal. Around 25hector area has covered with planting of 5000 nos. of various indigenous plantslike Azadirachta indica (Neem), Ficus religiosa (Aswastha), Aegle marmelos (Belo), Ficus beghalensis (Bara), Ficus glomerata (Dimiri), Alangiumlamarckii (Ankulo) will be planted. The peripheral areas of the site (susceptible to grazing) may be planted with non- browsable species like Tectona grandis (teak), Acasia, Alstoniascholaris(Chhatian), Simaruba glauca , Anonna squamosa (Sitaphal), etc.

Apart of the bald hill plantation a view tower has constructed on the top of the Sunatangara hill. The villagers have been dedicatedly supported to success of the plantation and preservation with maintenance of the view tower.

Sunatangar bald hill has been one of the attractive places of the local community for the last 100years. Different types of hill rock and above 300 ft the height of the hill top and the Upasana stala of Saint Baba **SWAMI JIBAN MUKTANANDA SARASWATI** attract more people. Customize some stones to give living animal shape art and create a more beautiful hilltop.

## Construction of Water Storage Pond for Agro Forestry

The use of irrigation ponds has proved to be an efficient alternative for increasing the availability and quality of water resources for irrigation and contributing to the sustainability of agroforestry. With the support of NK India construction of twin water storage pond for irrigated of 700 acre of agro forestry plantation area where various medicinal plants and herbs are available. Both ponds have completed and used for the sustainable of the agro forestry of Mahatma Gandhi Ausaodhiya Aranya, Sogar Kamakhyanagar Dhenkanal.

## Construction of cattle shed for stray cows.

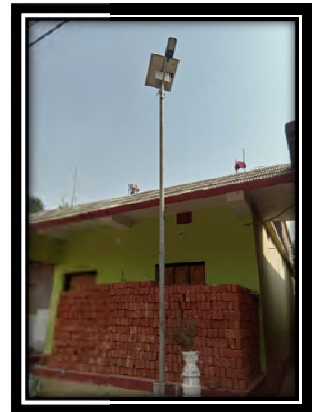

NKI India has plays a pivotal role to preserve and rescue with care of stray cows in India since last decade. NK India extended the animal welfare activities in Kamakhyanange Block of Dhenkna district of Odisha. Construction the RCC roofed brick-walled building for use as cattle shed. Which is set up to rescue and take care of cattles that has been abandoned or illegally sent for slaughter and stray cows. Feeding, watering, medical care, maintaining better hygiene and welfare along with providing comfort and protection from inclement weather to the stay cattles in this shade.

## Installation of Solar Street Lights

The street lights are intended to reduce energy poverty by providing rural communities with a reliable, clean, and sustainable energy source via the installation of rechargeable solar lights, thereby creating a chain of mutually reinforcing social and economic effects.

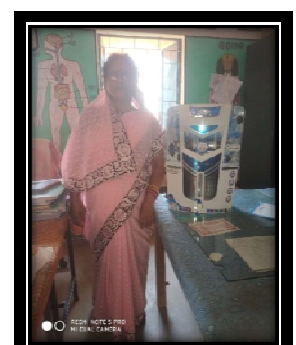

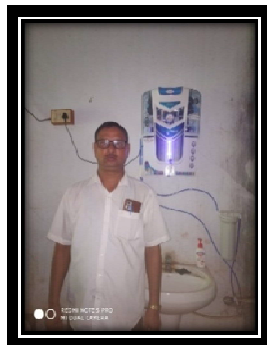

The village Gobindapur is a small and remote village which is having population of 1600 persons. The percentage of Scheduled caste population is about 60%. In this Project, there are 16 numbers of Solar Street Light Poles have installed on the inside-streets of the village which will be very beneficial to public.

## Installation of R.O. Water Purifier:

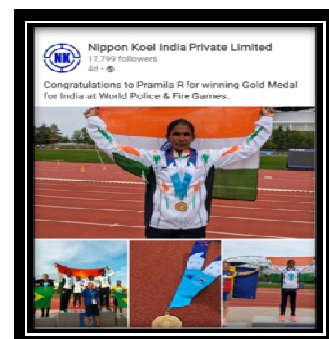

The ethics of NKI is to provide the quality and purifying drinking water for everyone. Basically, ensuring to always provide the clean and safe drinking water to students in rural schools. The Quality water is essential to the health and safety of scholars, faculty, staff, and administrators. The applications for water treatment by reverse osmosis method is proposed to be achieved by installing Eureka Forbes Reverse Osmosis Machines in 10 nos of Educational Institutions in Kamakhyanager and Bhuban block of Dhenkna district of odisha.

## Assistance for Women Empowerment

Nippon Koei India focus on nurturing sports persons that would promote India as multi-sporting Nation. Among different sports, it is widely acknowledged that sports persons associated with **'athletics'** require much needed support to excel as sports person.

Mrs. Pramila R, working in Traffic Police Station in K4 Anna Nagar, Chennai, participated in 'World Police and Fire Games' at Netherlands. She made India proud by securing 3 gold medals and 1 silver medal. Meanwhile, NKI have supported to participate in World Police and Fire Games held at Canada and R Pramila winning the Gold medal which is the proud and grand achievement of NKIPvt Ltd.

## Voice of community

My self **Bata Krushna Dash**, President of Village Gobindpur of Bhuban block , Dhenkanal ,I on behalf of our villagers giving sincerely thanks to Nippon Koei India Pvt Ltd for supporting for Installation of 15 nos solar street Light and Greening of our Bald hill Sunatangar and construction of a view tower on the top of the hill and AWHAN Ngo ,who dedicatedly implement the CSR project of NKI in our village with successive manner.

My self **Mrs Shnehalata Mishra** Teacher of Govindpur UGME school, sincerely thanks to NKI india Pvt Ltd for provide a RO Aqua Guard water filter for our students. It is first time, A Company has assisted for clean and safe drinking water for rural school students. All students are extremely happy for this support of NKI Pvt Ltd.

My self **Mr Sishirkant Behera**, Sarpanch of Rainrushinngpur Gram panchayat of Kamakhyangar Panchyat Samiti giving heartfelt thanks to Nippon Keoi India Pvt Ltd for supporting for the stray cows in our block . Where most of the stray cows have faced very crucial problems in every season. This cattle shed will help to stray cows for more ever.

## Impact of the Project:

We are grateful to Nippon Koei India for the support and contribution towards the community development for construction of water storage pond, construction of Cattle shed for stray cows, installation of solar light and aqua guard in schools and construction of view tower and Sunatangara Bald hill Plantation. Basically, NKI support to a Mrs R Pramila women athlete for participating in the National fire game and she has awarded the Gold medal for the Nobel thrust of the nation.

## People' participation/ Community participation

In order to involve of local people in the protection of plantation with view tower on top of the Bald hill sunatangar, installation of Solar street light, construction of Cattle shed for stray cows .The staffs of the AWHAN NGOs organize the meeting in the project area villages and efforts will be made to constitutea Assets Management Team AMT who has assigned with the task of Preservation, protection and management of Afforestation and created assets by the CSR funds of NKI Pvt Ltd.

## Media coverage

We are special thanks to all Print and electronics media of Dhenkanal district for covering the news of inaugural Programme of Bald hill Plantation Programme at Govindapur village of NK India Pvt Ltd assisted by AWHAN, Dhenkanal .
